Dear (circle one)

Grandma/Grandpa/Aunt/Uncle/Cousin/Neighbor/\_\_\_\_\_

I am writing to tell you about something really cool/fun/boring/industrious/\_\_\_\_\_ that I am doing this summer as a service project to raise money for Conscious Kids Anti-Racist Children's Books Education Fund. It's called the Peck Slip Summer Read-a-Thon, and if I read at least \_\_\_\_ books this summer, I'll get an award at school this fall. I'm really busy this summer, but I plan to read before camp/after camp/late at night/on the beach/in the bathtub/at the bus stop/\_\_\_\_\_.

Will you sponsor me for my reading? Any donations that I collect will go towards our summer service non-profit partner. If you want to find out more about the charity, you can go to <https://www.theconsciouskid.org/donate>. Any amount would be appreciated- no amount is too small!

Thank you so much!!!

Sincerely/Love/Hugs,
